Kölsch-style Ale

Bready, Crisp, Balanced. A refreshingly drinkable combination of doughy pilsner malt, pear esters, and a touch of hops.

2. CHAISE LONGUE - 2.9% ABV

Table Beer

Expect fresh lemons, crisp herbs, cut hay, field flowers, a high fizz factor, and a crisp, dry finish. Best enjoyed all day long

150mL \$3.25 / 330mL \$5.25 / 500mL \$8.00

BEER

3. STATIONARY LIFE - 6.9% ABV

Wild Saison

Amaretto, Fresh Steeped Sencha, Funk. This beer was stainless fermented and brewed with one thing in mind: balance. Portions of it were used as a blending component for many of the fruited blends during the 2023 harvest season, and a small portion was saved to keg as a taproom exclusive.

150mL \$3.75 / 330mL \$6.00 / 500mL \$9.00

4. TEA FOR THE TILLERMAN - 5.7% ABV

Earl Grey Wild Ale

Orange Blossom, Lemon Peel, Sun Tea. Like sipping iced tea beside a orchard, this beer is all citrus and sunshine. Yunnan Organic black tea and dried bergamot peel lend an elevated experience of juiciness and herbal qualities for a refreshing sip after sip.

150mL \$3.75 / 330mL \$6.00 / 500mL \$9.00

5. PRETTY PERSUASION - 5.3% ABV

Wild Saison

Sage, Cracked Pepper, Rocket Candies. This stunner walks the line between complex and comfortable. It's got a gentle acidity with a beautiful balance of subtle fruit-adjacent flavours and aromas that range from cracked pepper to ginger, sage, rocket candy and beyond! It pours a deep orange with a stark head like a skiff of bright white snow.

150mL \$3.75 / 330mL \$6.00 / 500mL \$9.00

6. GOLD PAST LIFE - 3.8% ABV

Světlé Výčepní Pivo (Czech Pale Lager)

In contrast to German-style pilsners, Lil' Bo Pils like this one are a deeper shade of gold, their darker hue hints at their fuller body and subtly superior malt richness. It's gilded retrospection brewed with low-mineral water for a softness you can feel and a bitterness you taste less of.

150mL \$3.25 / 200mL Mlko \$3.75 / 330mL Hladinka \$5.25 / 500mL Na Dvakrát \$8.00

BEER

7. MIDDLE CHILD - 4.6% ABV

Polotmavý Ležák (Czech Amber Lager)

This amber lager baby's smack-dab in the middle of the two Czech beers we made before it, in both colour and maltiness, but not at the expense of quaffability. Rather than bitterness on the palate, Czech hops hit home in the form of a fragrant floral bouquet gusting in on a Saaz sea breeze.

150mL \$3.25 / 200mL Mlíko \$3.75 / 330mL Hladinka \$5.25 / 500mL Na Dvkrát \$8.00

8. MORE THAN RAIN - 5.6% ABV

Tmavé Speciální Pivo (Czech Dark Lager)

Made in collaboration with Rain Dog Bar, this Czech lager is refined, flavourful, and balanced. It sips softer than Germany's take on the same style and rocks a richer body to boot. We sourced semi-early red-bine Saaz hops from the region formerly known as Bohemia and used water softened through reverse osmosis.

150mL \$3.25 / 200mL Mlíko \$3.75 / 330mL Hladinka \$5.25 / 500mL Na Dvkrát \$8.00

9. PILSGNAR - 5.2% ABV

German Pilsner

Floral, Crushable, Snappy. Crisp bready malts and noble hops ride switch between floral and spicy for a balanced bitterness. Slow pours available - just ask!

150mL \$3.25 / 330mL \$5.25 / 500mL \$8.00

10. FASHION IS DANGER - 5.2% ABV

New Zealand Hazy Pale Ale

Paloma, Meringue, and Nashi Pear. This Pale Ale packs a bouquet of five different hop ingredients—all grown in New Zealand by the same Freestyle producer. The result is tropical and dreamily creamy with just a hint of something floral(s for Spring? Groundbreaking). It's the edge, it's the chic, it's the taste.

150mL \$3.75 / 330mL \$6.00 / 500mL \$9.00

BEER

11. AFTERNOON DELIGHT - 5.4% ABV

Hazy Pale Ale

Tropical, Hazy, Smooth. A hazy pale ale loaded with bright tropical and citrus hops, smooth body.

150mL \$3.25 / 330mL \$5.25 / 500mL \$8.00

12. SKY ROCKET - 6.5% ABV

Hazy IPA

Citrus, Juicy, Punchy. Citra hops are the star in this beer, zesty and juicy, bright yellow haze.

150mL \$3.75 / 330mL \$6.00 / 500mL \$9.00

13. INSTANT CRUSH - 6.5% ABV

Hazy IPA

Tropical Smoothie, Cream of Oats, Haze. This swoon-worthy sipper has notes of tropical fruit, oats, and sweet cream, and its saturated sunny yellow colour makes it an eye-catcher in the glass. It's hazy and hop-forward with a smooth as finish—you'd be a daft punk not to love it

150mL \$3.75 / 330mL \$6.00 / 500mL \$9.00

14. SPACE RITUAL - 7.4% ABV

West Coast IPA

Orange Blossom, Pine Resin, Mango Nectar. This has some hops to it! This Westy is light in both colour and malt use, and with none of that pesky caramel nonsense. Comet, punchy Idaho 7, and Strata are the stars of this constellation, and the whole thing paints a beautiful, balanced picture across your palate.

150mL \$3.75 / 330mL \$6.00 / 500mL \$9.00

BEER

15. KICK OUT THE JAMS - 4.5% ABV

Cherry Sour with Vanilla

Kool-Aid Jammers, Pie Crust, Cool Whip. This is a nostalgic, jammy, cherry-pie-cooling-on-a-window-sill typa kettle sour. In keeping with its precursors (Jam Rock & Pump Up The Jam), it's packed with borderline too much fruit, jussst enough vanilla, and pours out looking like the precious jewel it is.

150mL \$3.75 / 330mL \$6.00 / 500mL \$9.00

16. JAM ROCK - 5.6% ABV

Blackberry Sour with Vanilla

Berry, Vanilla, Pie Crust. Jam-like berry, layered with gentle vanilla creates a dessert-like experience, and a tart finish leads to the next sip.

150mL \$3.75 / 330mL \$6.00 / 500mL \$9.00

17. CHERUB ROCK - 5.0% ABV

Rye Barrel Aged Mead with Ginger and Lemon

Cocktail inspired mead (fermented honey beverage). Blend of 9-month rye barrel-aged mead and hydromel (low alcohol mead), with added fresh ginger, and a splash of fresh lemon. *Gluten Free

150mL \$3.75 / 330mL \$6.00 / 500mL \$9.00

GLASS/BOTTLE. WHEN THE SUN HITS - 6.5% ABV

Sparkling Hibiscus Cider

Served in-house by the bottle (\$20), by the 250mL glass (\$6.75), or for offsale (\$19). Wild yeast fermented apple cider with hibiscus. Bright berry and floral notes, crisp and dry finish. Made in collaboration with Uncommon Cider Co.

BEER

CAN. SOLSBURY HILL - 3.6% ABV

Pub Ale

Biscuits, Werther's Originals, Marmalade. Beer engines on. Pinkies up! This take on an English classic is toasty and delicately floral, and utterly thirst quenching with a pleasantly dry finish. True to form, this brew has crushable levels of both carbonation and ABV, making it the perfect match for all occasions.

473mL Can Pour \$6.25

CAN. MISS WORLD - 5.4% ABV

Modern Lager

Jasmine Tea, Strawberry Shortcake, Soft. Crisp and clean are the hallmarks of a good lager, but leave it to the minds of our International Women's day brew crew to add a twist that leaves you reaching for more. This refreshing take on a classic traded the standard noble hops for the more modern 2023 Pink Boots Blend. The result is everything you love about the style, leveled-up with a fruit basket of aromas to create a lager unlike all others.

473mL Can Pour \$6.25

CAN. ISLAND IN THE SUN - 9.0% ABV

Imperial Sour with Guava Pineapple and Lime

Tiki Cocktail, Pineapple Sorbet, Lime Zest. This island is tropical! Brewed with guava, pineapple, and lime. Like a mirage for your mouth, this citrusy sea actually tastes a little like a Mai Tai - no tropical destination required.
